Dairy Veterinary Externships

Join us at United Veterinary Service to gain experience, broaden your horizons, and strengthen your knowledge and skills.

Externship experiences are flexible and may vary in duration from one day to two weeks. Externships are **available to students of any education level**, but priority is given to accepted or active veterinary students.

Focal topics of an externship experience may include, but are not limited to herd health, reproduction, milk quality, calf and/or heifer management, transition cow health, vaccine protocols, facility design, ventilation, heat abatement, etc. You will spend time with a variety of herds and veterinarians in an ambulatory, practical setting.

Housing is provided upon request.

Contact uvs@heritage.vet with scheduling or additional questions.

To apply, please submit a cover letter and resume to **uvs@heritage.vet**
